## Dentist duped of ₹1.5 lakh by matrimonial site match

**Thane:** A 24-year-old female dentist from Thane has accused a man, whom she met on a matrimonial site, of cheating her of Rs1.5 lakh. The complainant, a resident of Mira Road, told the police that she came in contact

with accused Rahul Dadich in 2023 and they began communicating. Last month, Dadich allegedly took Rs1.54 lakh from the dentist on some pretext or the other but stopped communicating with her soon after.

## Another diesel smuggling racket busted

FPJ NEWS SERVICE / MUMBAI

Days after the Indian Coast Guard (ICG) apprehended a fishing vessel for illegal diesel smuggling, another smuggling operation was busted off the Maharashtra coast. On Wednesday, the ICG intercepted a Mumbai-registered fishing vessel and seized 25 tonne of smuggled diesel valued at Rs27 lakh. This brings the total to 55,000 litres of smuggled diesel seized by the ICG this week.

The fishing trawler, Jay Malhar, with registration "IND-MH-7-MM-2887," was intercepted after a brief chase. The trawler was engaged in illicit trading of discounted diesel from ships on the high seas and selling it to local fishing boats for profit.

Before its interception, the fishing trawler had already sold 5,000 litres of diesel. The vessel, along with its five crew members, was escorted to Mumbai for further investigation.

## Customs officer booked in graft case

SOMENDRA SHARMA / MUMBAI

The CBI has booked a Customs officer from Chennai for allegedly demanding a bribe to clear the appraisal of goods imported by a Mumbai-based company. The Mumbai firm had imported PVC coated fabric from China and had entrusted the clearance of the consignment and its handing over to the warehouse to a Chennai-based firm. The officer, identified only as Manish, raised a query and demanded Rs50,000 for the appraisal. As the goods were genuine, the complainant didn't want to shell out any extra amount and approached the CBI with a written complaint on April 27. Verification was done and confirmed through a recorded conversation between the complainant and Manish, said a CBI official.

# Metro stn site gets 82 new trees

### Activists call for 39 more trees to compensate for all axed ones for Siddhivinayak station

FPJ NEWS SERVICE / MUMBAI

Green activists have lauded the planting of 82 trees to replace those cut for constructing the Siddhivinayak Metro station, but have pointed out that 39 more trees need to be planted at the site to compensate for all the axed ones.

Ashwini Bhide, Managing Director of Mumbai Metro Rail Corporation Limited (MMRCL), said in a message on microblogging site X, "After completion of underground Siddhivinayak Metro station, ground above is restored, properly grown-up trees of indigenous varieties are planted and garden is being restored. These trees were grown in nurseries for the past four years. Similar action is being taken at other stations of @MumbaiMetro3."

MMRCL, which is building the Cuffe Parade-SEEPZ underground Metro 3, planted the trees 'in situ' to compensate for trees cut down at Sane Guruji Udyan, next to Siddhivinayak temple in Dadar.

MMRCL said that the trees planted at Siddhivinayak Metro station are from species like chapha, desi badam, khaya, mahogany, pimpal (peepul), rain tree, saptaparni, sonmohar, tamhan, and umbrella tree. The company added that 82 trees have been planted at the

site since August 2023. Reacting to the tree plantings, civic activist Zoru Bhatena thanked Mumbai Metro 3, but pointed out that 39 more trees need to be planted at the site. Green activists appreciated the fact that the saplings were a few years old, which increased

the chances of their survival. However, they have said that indigenous species of trees should be planted. The rain tree, for instance, is not a native species.

At a recent meeting of the Bombay High Court-appointed committee that is monitoring the replacement of trees

cut for the Metro 3, Bhatena, representing the petitioners in the 2017 petition against felling of trees for the project, had pointed out that as per the committee's directions, MMRCL had submitted drawings of 12 Metro stations. As per the directions of the committee, the group visited the stations and found that except at Siddhivinayak station, no trees were planted. According to the minutes of the meeting, MMRCL informed the committee that they had planted 97 trees and removed roughly 2,000 trees.

Earlier this month, MMRCL planted 38 trees under in-situ plantation programme on two Eros traffic islands near Churchgate to replace trees that were cut to build an underground metro station. In a statement about this planting site, MMRCL said in a statement, "The species of trees planted includes desi badam, bakul, sonchapha, mahogany, umbrella tree and pimpal. Tree contractor is maintaining these trees by regular irrigation."

## 16-hour water cut in K-East, K-West and P-South wards

RUCHA KANOLKAR / MUMBAI

Residents of K-East, K-West, and P-South ward, will face a temporary disruption in water supply due to maintenance work by the BMC. Scheduled between May 22 and 23, the maintenance operation involves connecting main water lines and removing old damaged water lines. Lasting for 16 hours, the operation aims to bolster the city's water infrastructure for sustained and improved supply in the future. During this period, certain areas will experience a complete shutdown of water supply, while others will contend with reduced water pressure.

BMC has announced plans for work in the K-East ward of Andheri East. This operation entails the connection of two main water channels: a 1,500mm diameter water channel and a new 1,200mm diameter water channel (known as the Parle outlet). The work will be carried out from Sawant Marg and Cardinal Gracious Marg Junction to Cardinal Gracious Marg and Sahar Marg Junction. Additionally, an old undamaged 1,200mm diameter water channel will be removed during this process.

Upon the completion of this maintenance work, significant improvements are expected in the water level of Veravali Reservoirs 1, 2, and 3. Consequently, there will be a permanent enhancement in the water supply to areas including Andheri (East) and (West), Jogeshwari (East) and (West), and Vileparle (East) and (West).

In the K-East division, residents of Tripathi Nagar, Munshi Colony, Bastiwala Compound, Collector Colony, Matoshree Club, and Durga Nagar will experience a disruption in their daily water supply routine. The interrup-

As a precautionary measure, after the water supply is restored, use filtered and boiled water for at least five days.

BMC official

tion will occur between 8am and 9am for the former group, while for Durga Nagar, Sariput Nagar, and nearby areas, water supply will remain suspended between 10am and 12pm. Furthermore, neighborhoods such as Dutt Hill, Oberoi Splendor, Kelati Pada, and Ganesh Mandir Premises along Jogeshwari-Vikhroli Road (JVLR) will also face water supply cessation during their usual supply hours, between 9am and 11am.

Residents of (K-East ward) Bandrekar Wadi, Franciswadi, Makharanipada, Subhash Marg, and Chachanagar, who usually receive water between 11am and 2pm, will face a temporary suspension of water supply. Similarly, areas including Bandra Plot, Hari Nagar, Shivaji Nagar, Pascal Vasahat, and Shankarwadi, scheduled to receive water between 1.30pm and 3.40pm, will also be affected by the shutdown. Additionally, residents of Vishal Auditorium, Verma Nagar, Kamgar Kalyan, and several other localities encompassing most parts of Vileparle, accustomed to water supply between 5pm and 8pm, will experience a cessation of water supply during this period.

Some areas of K-East ward including Pump House, Vijay Raut Marg, Patilwadi, Hanjar Nagar, Kankhapada, Parsi Vasahat, Jijamata Marg, Gundavali Hill, and Ashirwad Chal, accustomed to receiving water between 5pm and 8pm, will experience a temporary halt in the water supply.

## Prop tax: MBMC collects record ₹28 cr in 44 days

### Collection attributed to response from early bird incentive scheme; amount collected from 45,792 payers

SURESH GOLANI / MIRA-BHAYANDAR

Despite an acute shortage of manpower owing to the diversion of staff in the Lok Sabha poll process, the Mira Bhayandar Municipal Corporation (MBMC) has reported a record Rs28.38 crore collection towards property tax in the first 44 days of the current financial year between April 1 and May 14. The record collections have been attributed to the encouraging response to the early bird incentive scheme (EBIS) rolled out by the civic administration. The incentive scheme offers discounts of 5 and 3% for those who opt to clear their entire property

taxes on or before June 30 and on or before 31, July respectively. This is the third consecutive year of the early bird scheme offering discounts to regular taxpayers. According to statistics

sourced from the property tax department, the amount was collected from 45,792 payers till May 14. Notably, there has been a significant surge in collections through digital modes of payments, includ-

ing links on the municipal website (https://pg.mbmc.gov.in/), mobile application (MyMBMC), digital wallets, and credit/debit cards swipes on point of sales (PoS) machines facilitated by the civic administration. Out of the total collection so far, Rs12.1 crore was received from 26,067 taxpayers through digital modes. On the other hand, 19,725 taxpayers opted for clearing their dues by cheques and cash payment over the counter. Despite a shortfall in the last fiscal, property tax collections continue to contribute a lion's share in the annual budgets as the administration anticipates Rs260.10 crore, this

year. "Citizens should avail of the discount offer by clearing the tax dues on time and help in the all-round development of the twin city," appealed additional civic chief Dr Sambhaji Panpatte. More than two lakh tax payers availed the EBIS, which cost the MBMC Rs2.78 crore while offering discounts, last year. As per the MBMC registry, the total number of taxpayers (commercial and residential) is currently pegged at around 3,58,030. However, the presence of thousands of "ghost" (non-existent) and multiple entries (of a single account) in its tax registry has become a major cause of worry for the MBMC.
